

# Wedding Stationery Planning Timeline

MISStoMRS

## 12 Months Before The Big Day:

Determine your guest list. Order your Save The Dates.

## 6-11 Months Before The Big Day:

Mail your Save The Dates. Be sure to send out Save The Dates earlier if you are planning a destination wedding.

## 4-6 Months Before The Big Day:

Order your wedding invitation suite. That includes the invitation, response card, reception cards, and any extra add-ons. The sooner you place the order, the better! This will allow you enough time to proofread your invitations and make any necessary adjustments in a timely manner.

## 2-4 Months Before The Big Day:

Mail your invitations. Set your response date 4-5 weeks out from the wedding to give you time to contact all non-responders, and count for your day-of wedding Stationery.

## 3-4 Weeks Before The Big Day:

Order day-of wedding stationery, such as ceremony programs, menus, table numbers, place cards, seating charts, and any other signage.

## The Big Day:

Relax and enjoy!

## 1-2 Months After The Big Day:

Order and mail thank-you cards to your guests. You may also want to wait until you receive your wedding photography so that you can include a photo on your thank-you Cards.
